Thank You Lakeshore

We are soon off to the 2010 TMX Canadian Wheelchair Curling Championship in Kelowna but before we leave we want to say Thanks. Thanks very much for your outstanding support, encouragement and equally gritty competition this year. It has been another great year and we'll see you when we return.

Thanks again and good curling,

Team Nova Scotia: Michael Fitzgerald, Laughie Rutt, Trendal Hubley-Bolivar, Debbie Earle, Keith Williams and Glen McClare.

New Curler Coaches for 2010-11 Season

As many of you know I am working on starting a New Curler League next season. For this I will need coaches that can work under Glen McClare to assist with the league. These will be paid coaches and will receive necessary training. At present I am looking to start a list of members who would be interested in this league.

Please email me at the club or come in a see me if you are interested, there is no commitment at this point. As always I thank you for your support in making the club one of the best in the Maritimes. -Keith Bennett

Congratulations

Congratulations to a couple of Lakeshore teams who recently represented us well in the Dominion Club Championships. Denise Fitzgerald and her team were runners up in the women's event and Bill Moulton and his team who represented us well in the men's event.

Best of Luck

Good luck to Brian Rafuse and team who will represent Nova Scotia in the Canadian Senior Championship.

Our best wishes also go to team Fitzgerald who will represent Lakeshore at the 2010 TMX Canadian Wheelchair Curling Championship in Kelowna, BC.

Also, good luck to Wayne Gorman who is representing Lakeshore in the Maritime Stick Tournament.

Cross Over Membership

Do you know of someone who would like to try curling? Do you know a couple that would love to join Lakeshore?

Well we have a great deal for all potential members.

Starting at the end of March we will be offering a cross over membership - What is a cross over membership you may ask?

Well for the small cost of \$75 we will offer 4 separate night clinics at the end of March and 4 separate night clinics in September. These are for new curlers and people that have not curled for many years.

The deal is that if you join the club after these clinics we will take the \$75 off your membership, but if you do not like curling or find its not for you we will refund your \$75.

Tell your friends, tell your neighbours, tell the world, bring those curlers through the door. Phone the club at 869-CURL for details.

It's in the Rulebook!

A stone that rolls over in its course or comes to rest on its side or top shall be removed immediately from play.

Try Curling Event!

Want to try curling? On March 21st, from 3 to 6 pm, and March 22nd and 23rd, from 6 to 9 pm, there will be a drop in to the club to try your hand at curling, free!

If there any members available to help out with this event, please drop into to the office and let Keith know you are interested.

Editor's Note

It's hard to believe another year is winding up for curling. Best wishes to everybody for the summer months and see you in the fall. -Paul
